To amend Code Section 49-5-8 of the Official Code of Georgia Annotated, relating to powers and duties of the Department of Human Resources, so as to provide that financial assistance received by parents adopting a special needs child from such department shall extend to a person taking custody of such child under certain circumstances; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Code Section 49-5-8 of the Official Code of Georgia Annotated, relating to powers and duties of the Department of Human Resources, is amended by revising subparagraph (a)(7)(F) as follows:

"(F) Providing financial assistance after the consummation of a legal adoption to families adopting children who would otherwise remain in foster care at state expense. Financial assistance may only be granted for hard-to-place children with physical, mental, or emotional disabilities or with other problems for whom it is difficult to find a permanent home. Financial assistance may not exceed 100 percent of the amount paid for boarding such child and for special services such as medical care not available through insurance or public facilities. Such supplements shall only be available to families who could not provide for the child adequately without continued financial assistance. If a person who has adopted a hard-to-place child with a physical, mental, or emotional disability and is receiving financial assistance pursuant to this subparagraph dies, such financial assistance shall continue to be paid to the legal guardian named by the parent of the child until such child reaches the age of 21. The department may review the supplements paid at any time but shall review them at least annually to determine the need for continued assistance;"
